

OLED Messenger

A real-time Race information broadcaster in your car!

OLED Messenger

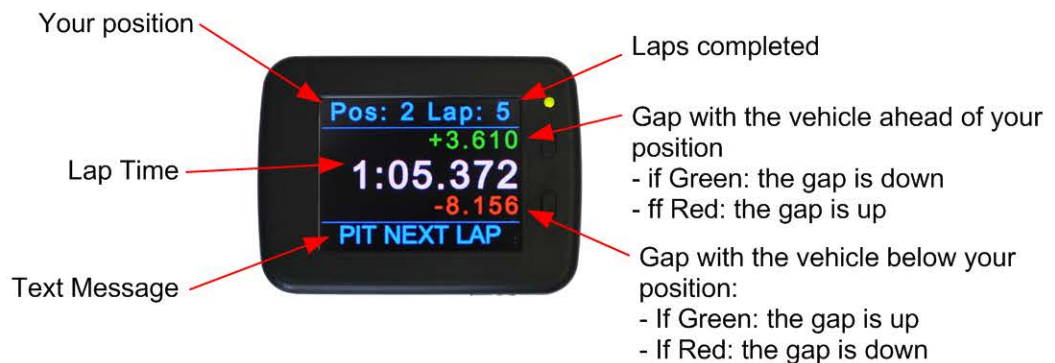

A real-time Race information broadcaster in your car!

- Displays Race position and all official times (lap times and sector times)
- Displays gaps in real time, the gap between you and the driver in front & the driver behind
- Works on all types of circuits (tracks equipped with or without our timing systems)
- High Visibility due to the exceptional clarity of the latest generation OLED display

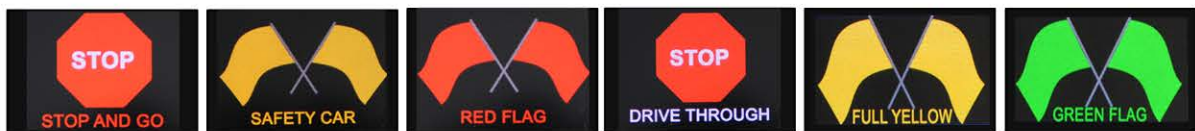

Practice Session Information
